The prpprietors (Shrotriumdars) of the Shro.villages in this district have not so far furnished the statements showing the particulars given in rule 1 of the Rules framed under sections 3(4) and 7 of the Rent Reduction Act, 1947 in respect of every village in his estate to determine and collect the rent due to the landholders from the registered holders of ryoti lands. There are 89 Shro.villages in this district and they are scattered all ove the district. The question whether these 89 villages come under the purvi the Madras Estates(Abolition and Conversion into Ryotwari) Act 1948 is bei examined by the Settlement Officer, Chittoor. So far he has determined 3 villages viz., (1) Nimbapuram (2) Kakubal and (3) Gowripuram in Hospet Taluk; as Inam Estates under section 9(1) of the said Act 1948. The rent reduction work in the district has not yet commenced and the exact amount to be collect has not yet been determined. The Rent Reduction Officer, Cuddapah, attends to this work. But the work cannot be pushed through for want of particulars from the proprietor or Shrotriumdars as required in Rule 1 of the Rules published in G.O.No.1263, Revenue, dt.26-5-49. I am issuing individual notices for service on the proprietors as per Board's Ref. second cited above. The Special Deputy Tahsildar for Rent Reduction work in Bellary district who has taken instructions from the Rent Reduction Officer, Cuddapah and who was consulted has stated that he has determined the proportion of Rent Reduction in respect of 14 villages in Hospet taluk and that a notification will be issued shortly. The reduction of rent according to that proportion for each holding has to be worked out by the special R.Is. I am therefore appoining one Special Revenue Inspector for Hospet Taluk, for attending to this work and for preparing Chitta parts (I) and (II) and to get the karnam's account in proper order and to bring the registry uptodate. Special Revenue Inspectors for other taluks will also be necessary but there is no immediate need to appoint them until the Special Deputy Tahsildar for Rent Reduction

work/this district determines the proportion of Rent Reduction in respec of all shrotriem villages (whole Inam villages) issues notification accordingly. As and when he determines them in each Taluk, I shall make the appointment of Special Revenue Inspectors to push through the work. I am however asking the Tahsildars to report whether there are any arrears of rent to be collected for faslis 1357 and 1358.

I may in this connection point out that Sandur State has been merge with the Indian Union. I request to be informed whether the Rent Reduction work has to be pushed through in the Shro.villages in that area also.

Copy to all Tahsildars and Deputy Tahsildars, Yemmiganur. They shou report in consultation with the proprietors whether there are any arrears of Rent to be collected for F.1357 and 1358. As the V.Os may not have this information, notices for service on the Proprietors or Shrotriumdars are enclosed for furnishing particulars required in Rule 1 published in G.O.No.1263, Rev.dt.26-5-49 and are sent to each Tahsildar as shown in the annexure. They are requested to fill in th names and address of the proppietors correctly and serve them as per Rules in Criminal Procedure Code and send back the served notices as quickly as possible, with the mode of service duly noted on them.

The Madras Estates Land (Rent Reduction) Act.1947 - (Bellary) collection of reduced rents in estates - appointmen of Spl.R.I. and issue of notices to landholders - under rule 1 - premature-instructions issued.

Read: From the Collector of Bellary Ref.C.15926/49-A1 dt.18-1-50.

With reference to his letter quoted above the Collector of Bellary is informed that his action in having appointed a Special Revenue Inspector for Hospet Taluk and in calling for statements from landholder under Rule 1 of the rules framed under Sections 3(4) and 7 of the R.R. Act is premature and without justification, as the notification under the Rent Reduction Act has not yet been published in one village in his district. He is therefore requested not to appoint the Revenue Inspectors so soon and not to issue notices to landholders before the issue of the notifications.

2. As regards the Sandur State, he is informed that a separate report is being called for from him regarding the question of the applicability of the Estates Land Act and the Rent Reduction Act to this State.
